# NUOVE DQSG

L'evoluzione delle cerniere doccia

# DQSG **NEW**

## *Design*

La nuova gamma **DQSG** segna un'evoluzione nella proposta SQUARE: un design più moderno, essenziale e raffinato, perfettamente armonizzato con il resto degli accessori della linea.

Una cerniera che eleva l'estetica dell'ambiente doccia senza compromessi, garantendo continuità stilistica e la massima libertà progettuale grazie a soluzioni tecniche di nuova generazione.

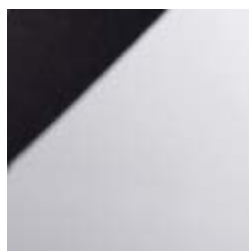

Pensata per esaltare la qualità di ogni anta a battente, la serie si articola in **due varianti**, calibrate in base al peso della porta:

- Fino a **40 kg** (6-8 mm)
- Fino a **56 kg** (8-12 mm)

Per ciascuna variante sono disponibili tre configurazioni:

- A muro con **scatto regolabile**
- A muro con sistema **PIVOT di sollevamento**
- **Vetro-vetro 180°** con scatto regolabile

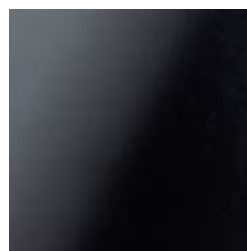

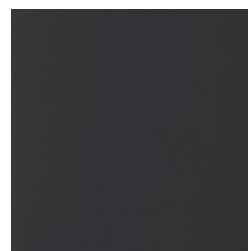

**/1**  
Cromo

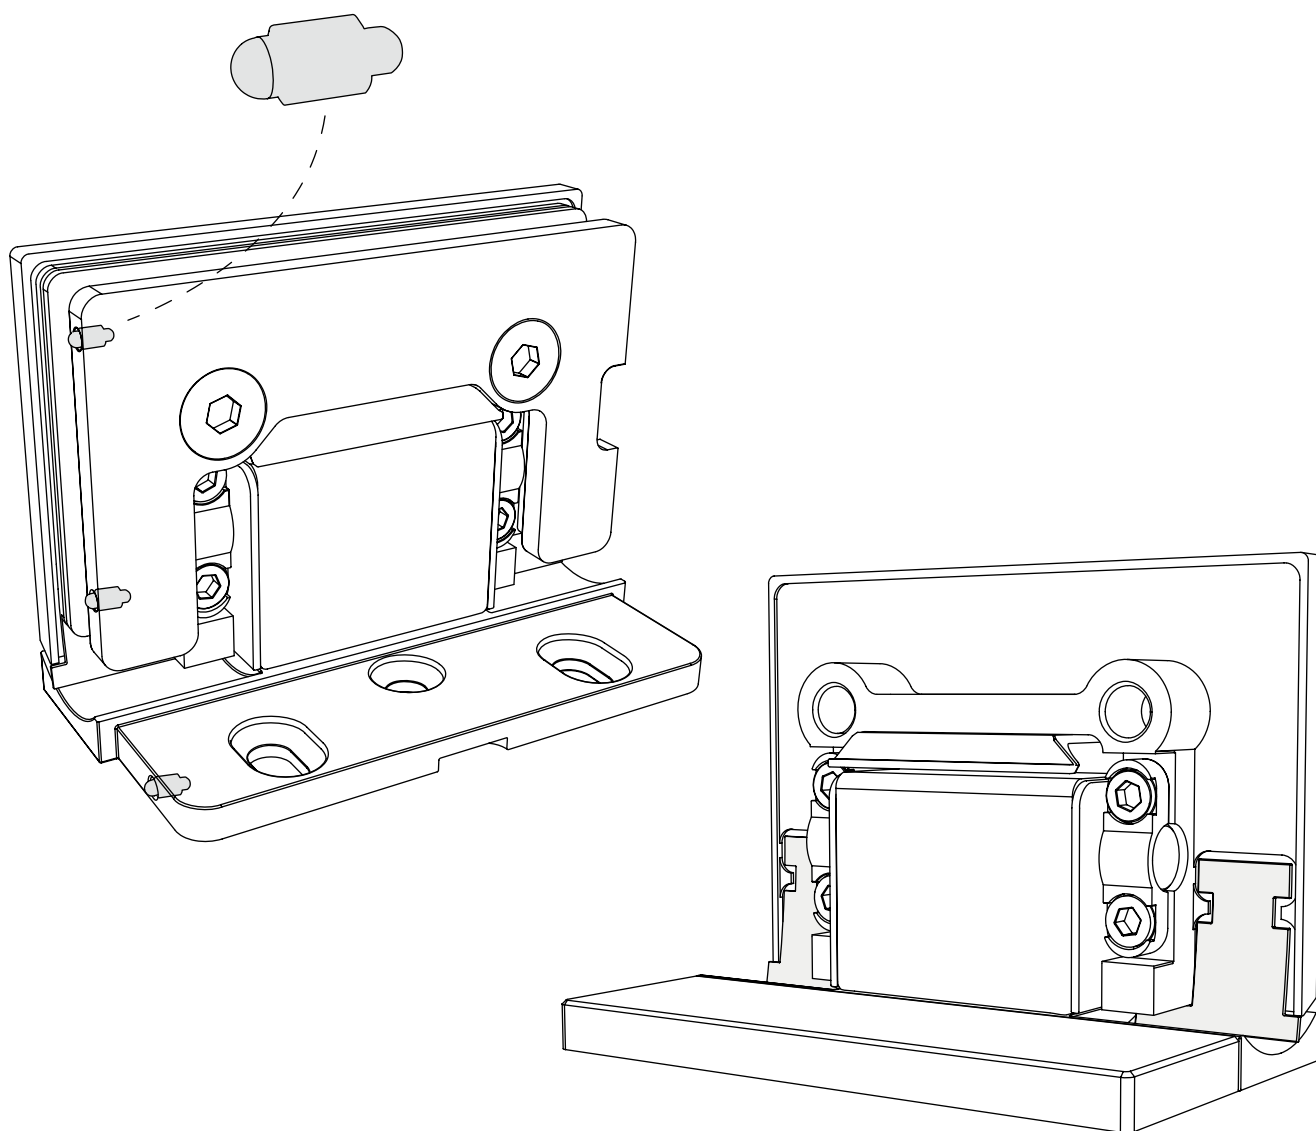

**/24**  
Simil Acciaio Inox

**/73**  
Nichel Nero Lucido

**/R2**  
RAL9005 Nero Opaco

### *L'evoluzione della serie SQUARE*

- **Design ancora più minimal e uniforme**, grazie alla superficie planare e all'eliminazione delle viti a vista
  - **Tenuta all'acqua migliorata** con guarnizione copri-fuga anche nella zona perno
- **Installazione più semplice** e regolazioni più rapide ( $\pm 10^\circ$  e sistema pivot con sollevamento)
  - **Nuova finitura nichel nero lucido** per ampliare le possibilità estetiche, disponibile anche su una selezione di accessori (pomelli, aste, morsetti)
- **Fughe e distanze sempre più ridotte** per un impatto visivo più elegante e contemporaneo

# DQSG

## *Plus principali*

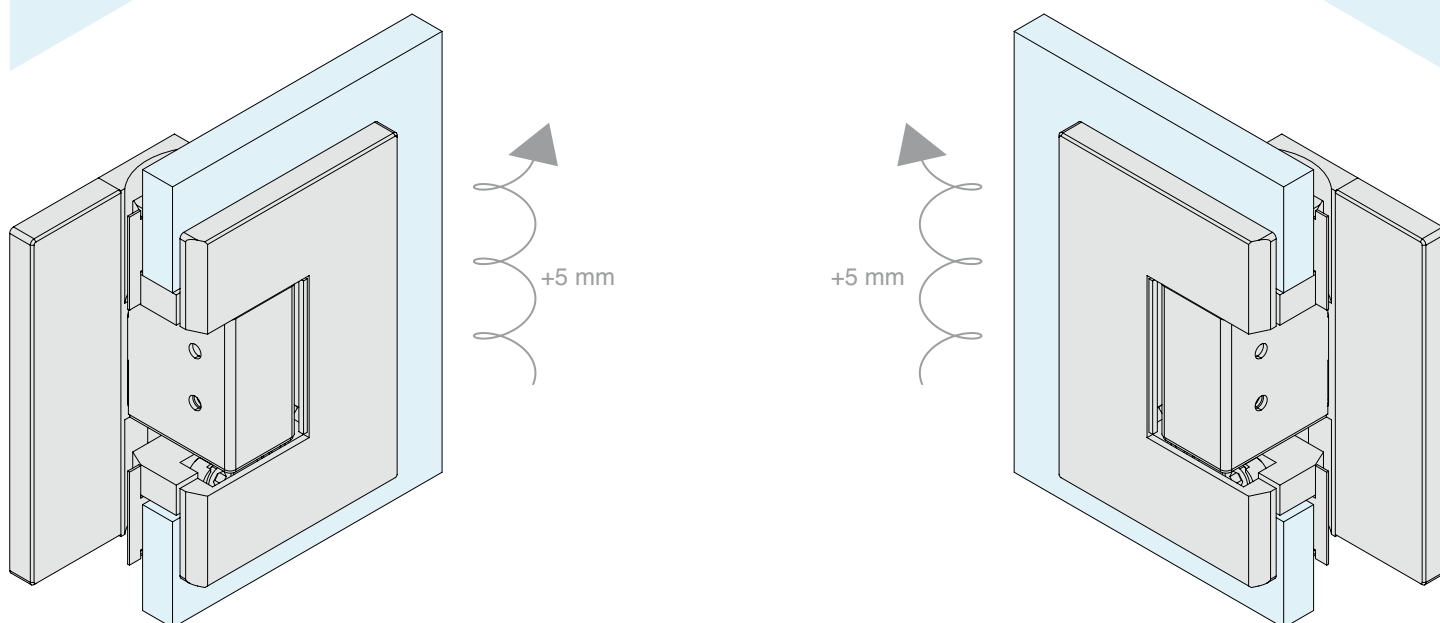

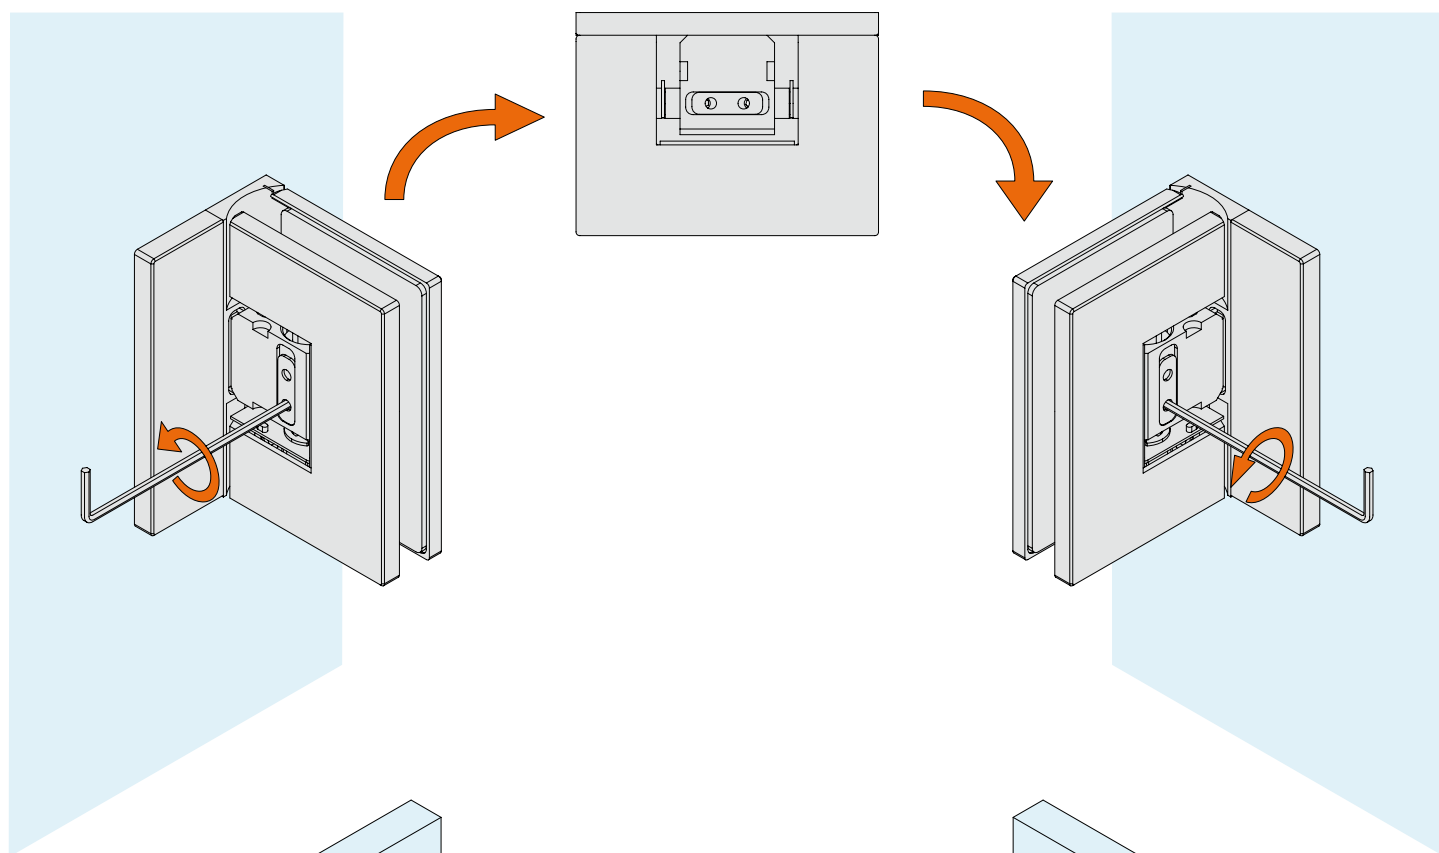

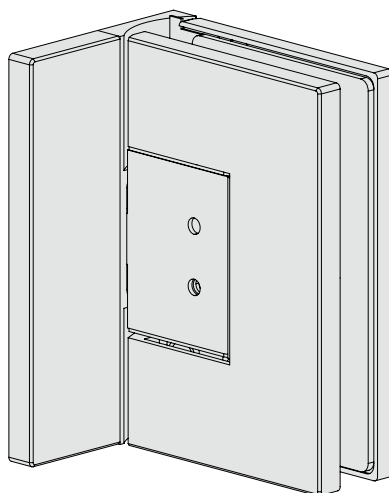

- **Superficie esterna perfettamente planare** con perno squadrato > estetica più pulita e premium
- **Distanze minimizzate** dal muro e **fughe ridotte** > maggiore eleganza e continuità visiva
- **Guarnizione copri-fuga** per un'**impermeabilità superiore** in prossimità del perno
- **Cover a scatto** senza viti né grani a vista > massima pulizia formale
- **Regolazione della chiusura  $\pm 10^\circ$**
- Meccanica in **acciaio inox** e corpo in **ottone** per robustezza e affidabilità
- **Nuova finitura nichel nero lucido**, esclusiva e contemporanea
